FOREWORD

It is with great pleasure that the staff of this, the 1947 Jackrabbit, presents to you the fruit of its nights of toil and sleeplessness. In compiling this yearbook, we, the staff, have endeavored to record your work, your play, activities, failures, and triumphs. Take it, keep it, and cherish it, for it is a record of years which will never pass again---your youth.

Now "The Jackrabbit" is yours. May it forever keep alive the flame, of friendships and associations acquired during this, our most happy school year.

DEDICATION

To the Jackrabbits of 1946 and their coaches, who have brought, fame, honor, and glory to Bowie High School, we gratefully dedicate this year book.

Not only have they shown great ability in the field of football, but, have displayed the same qualities of sportsmanship, team work, and leadership in all activities throughout the entire school year.

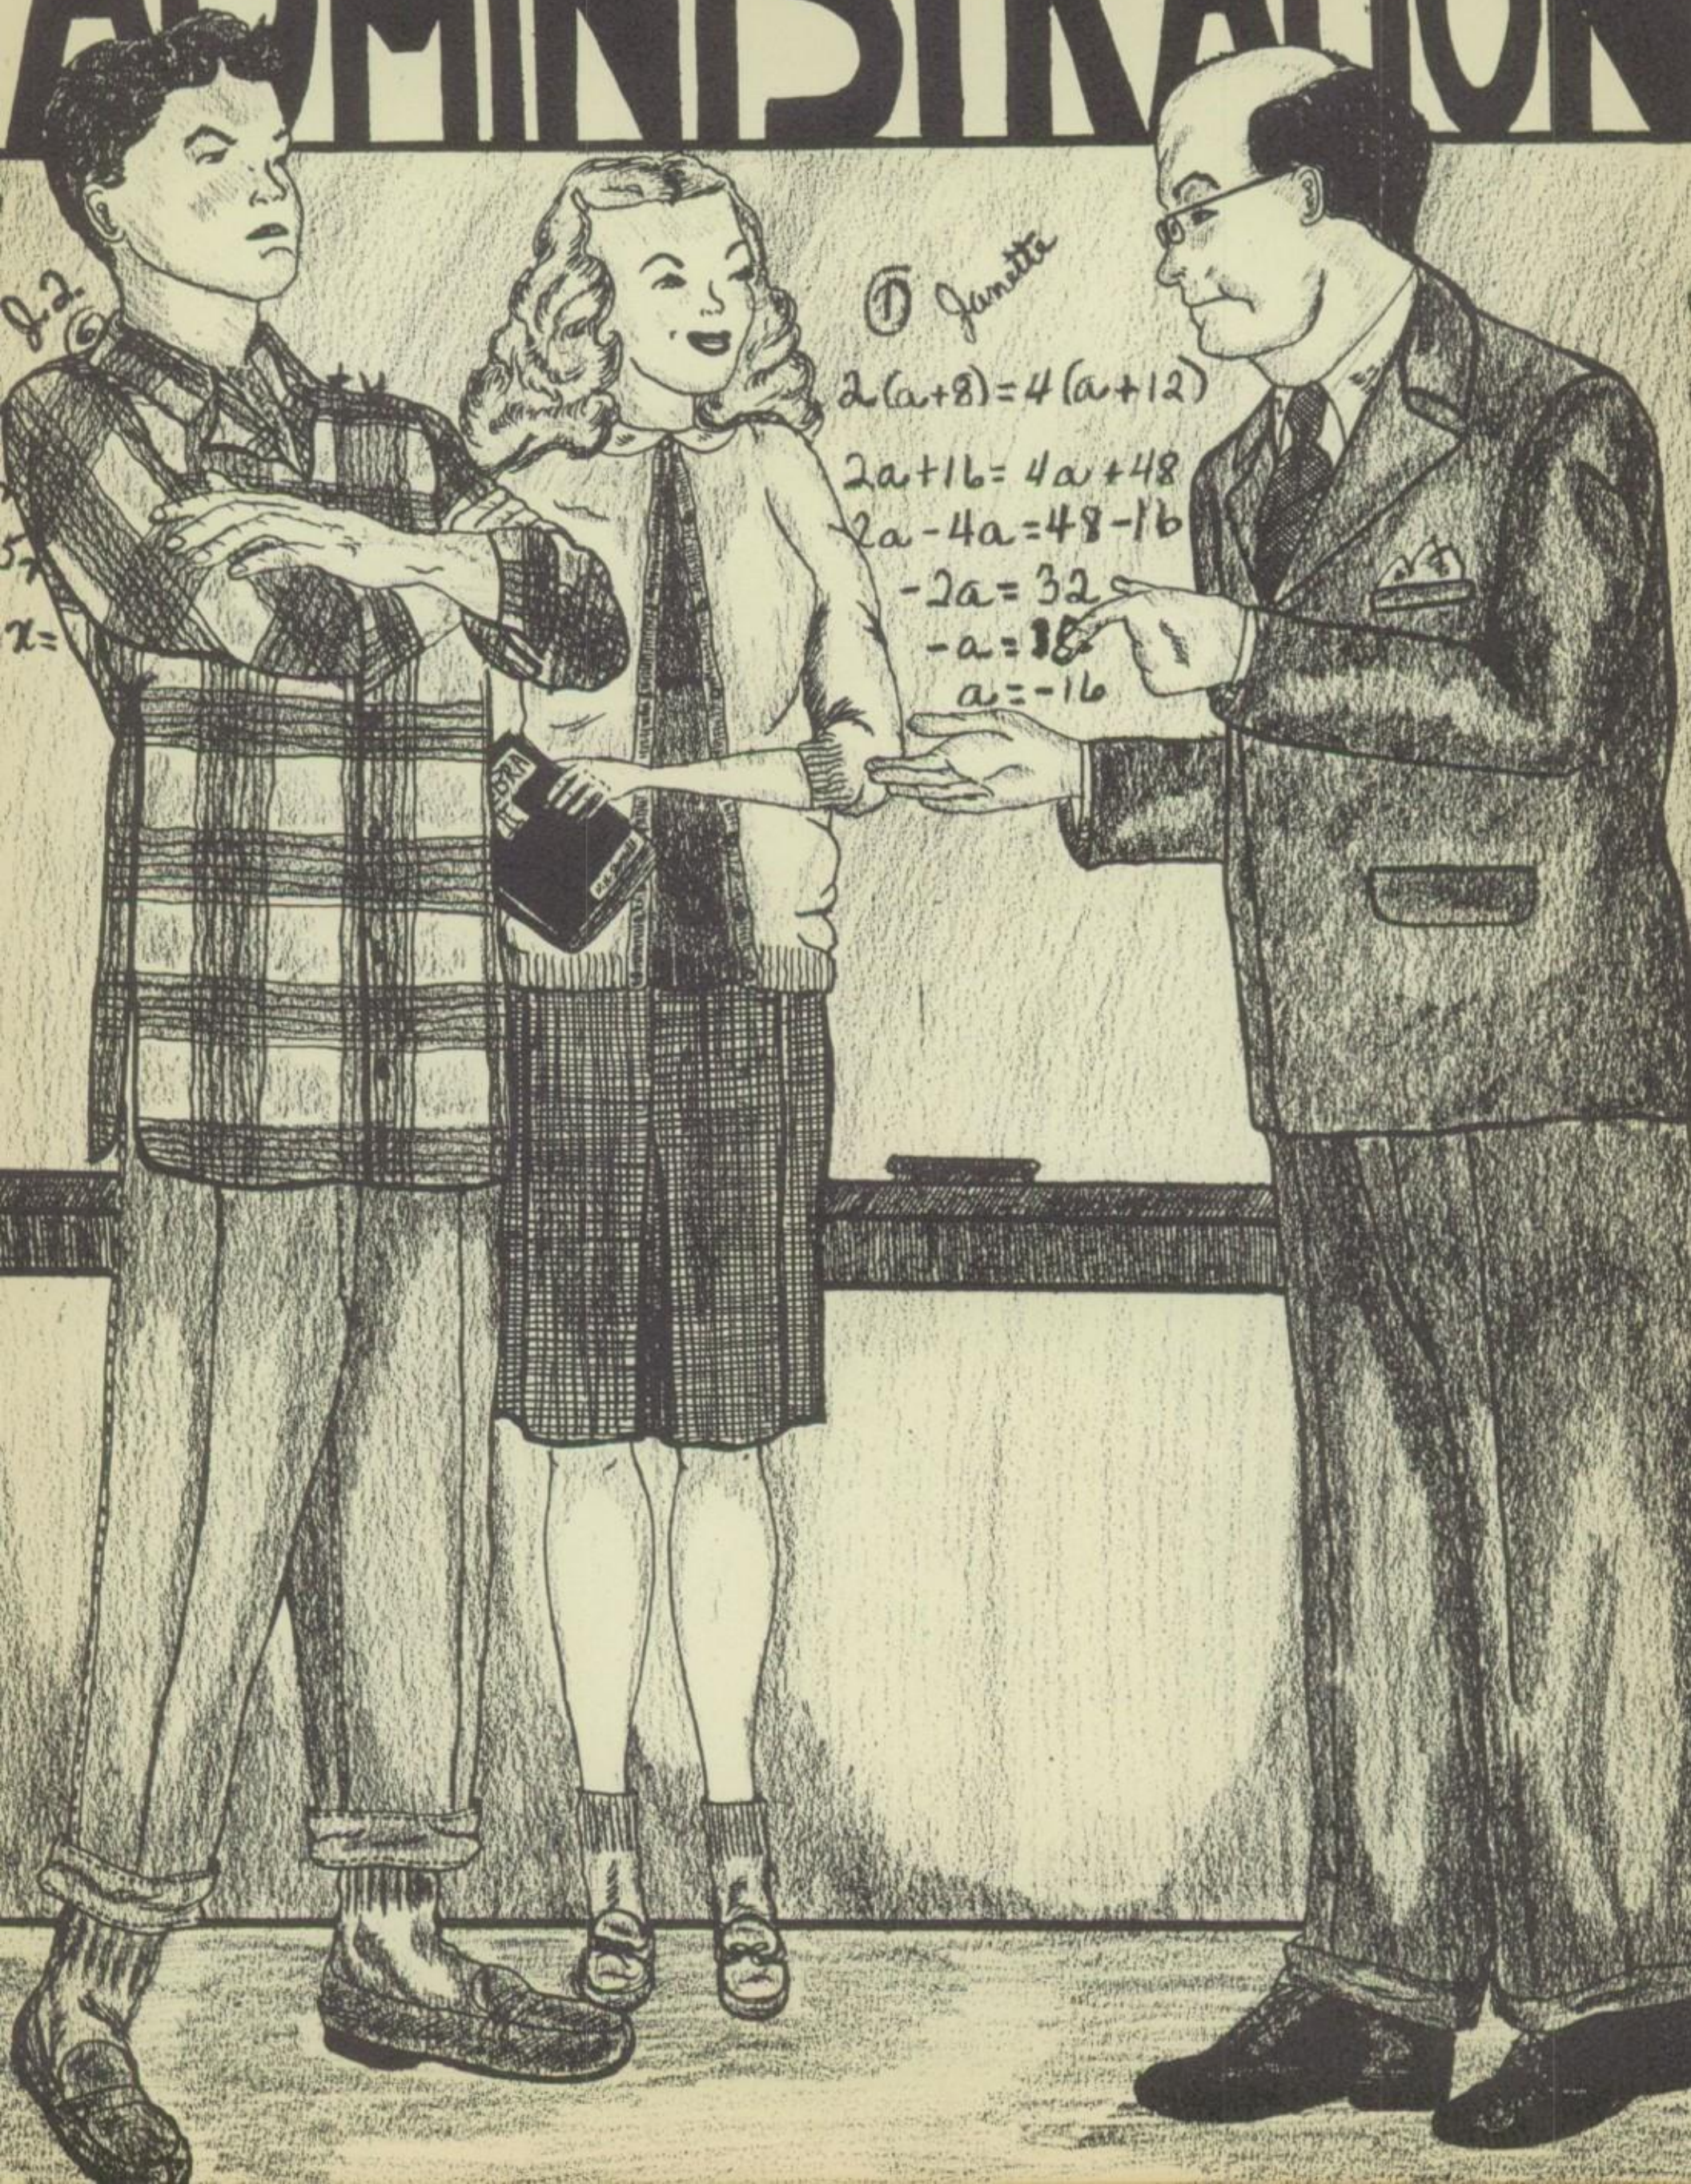

'To our Regional Champions of 1946, we attempt to show our appreciation by this dedication.

ALMA MATER

Hail! Bowie High School,
Hats off to you.
Ever you'll find us
Loyal and true;
Happy and carefree
Always we'll be.
Hail to the School we love.
Here's a toast to thee.

SUPERINTENDENT'S MESSAGE

There will soon be the close of another school year and my mind is running upon the rapidly recurring months and the stream of students whose lives are touching ours, and then going out into the busy world.

You have been taught how to look into the parts of life and analyze it but you must also be able to put all these things together and get a clearer picture of your ultimate goal. You have been brought not only into a store of knowledge and facts, but we have tried to familiarize you with conditions and theories and problems, so that your powers may be aroused and that you may afterwards be able to get your own lessons and then do them.

Your superintendent hopes that you have had a fine year. If you can analyze and put together, "to see life thoroughly and to see it whole," then he is glad. Keep the high ideals and purposes taught you in Bowie High School so that you may function efficiently as a citizen, because our Nation needs that type of citizen for its program of reconstruction.

BOWIE, Texas, Sept. 27.—Football fans at the Bowie-Olney tilt were thrilled tonight with a spectacular victory by the Jackrabbits.

Diamond Hill Bowie To Face Henrietta-Bowie Bout Tops 13-A

The Jackrabbits will play St. Jo team in Bowie tonight.

NOCONA GAME MEANS TITLE FOR BOWIE

The Jackrabbits will have most players back after approved team has been put together last two weeks.

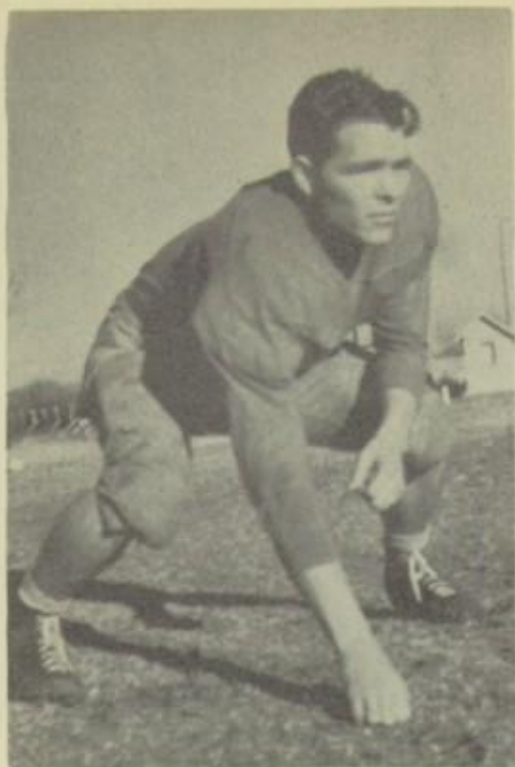

The Jackrabbits, under the direction of their able coaches, weathered one of the toughest schedules in the schools' history and yet piled up a total of 281 points to opponents 13. None of these were scored against them in District, Bi-District, or Regional play. The squad was large and fast with plenty of experience and coaching back of them.

The Jackrabbits started out in good form, but steadily continued to improve throughout the entire season. On November 15, they won their first District Championship in four years, defeating Nocona. On Thanksgiving Day they again attained high gear to win over Diamond Hill for the Bi-District Championship, this being the second such championship in the history of the school. But it was, on Friday the 13th that the Jackrabbits were at their best to beat the Irving Eleven for the first Regional Championship ever to be won by a Bowie High School Eleven.

So to you, Jackrabbits of '46, we salute and compliment you on the unforgettable season past and in so doing urge you on to new and greater goals.

BASKET BALL TEAM

Under the capable tutelage of Coaches Mattingly and Wood, the Jackrabbits turned in a season record long to be remembered. This team could flourish either a rapid "firebrand" ball, or could settle down to a tight conservative game, doing both often.

The team was composed of eight returned lettermen and one of the largest array of squadmen ever to come out. The Jackrabbit used their height and all court savvy to win the Hardin Invitation Tournament, went on to win the District, Bi-District, and Regional Championships and advanced to the State Meet in Austin. There they won two games, only to be defeated in the Finals by East Mountain. This was their fifth defeat of the season. They had previously won twenty-five games with an average of 43 points a game to their opponents 25. This was the Jackrabbits second time to play in the State Meet and the first time for a B.H.S. team to advance as far as the finals. Jackrabbits, we congratulate you on the marvelous record you have made this season.

BASKET BALL TEAM

This year, for the first time in several years, the girls of Bowie High School have played basketball. They have completed in the regular district schedule and have played a number of practice games. The girls had a rather successful year since they were all inexperienced, not only with the game, but also with the technique of the game.

Miss Butler was untiring in her training of the girls, but because of ill health she was forced to give it up, and Mr. Stephens finished out the season. Both were assisted by Clifford Wall, who gave valuable help to the team.

ORGANIZATIONS

BAND

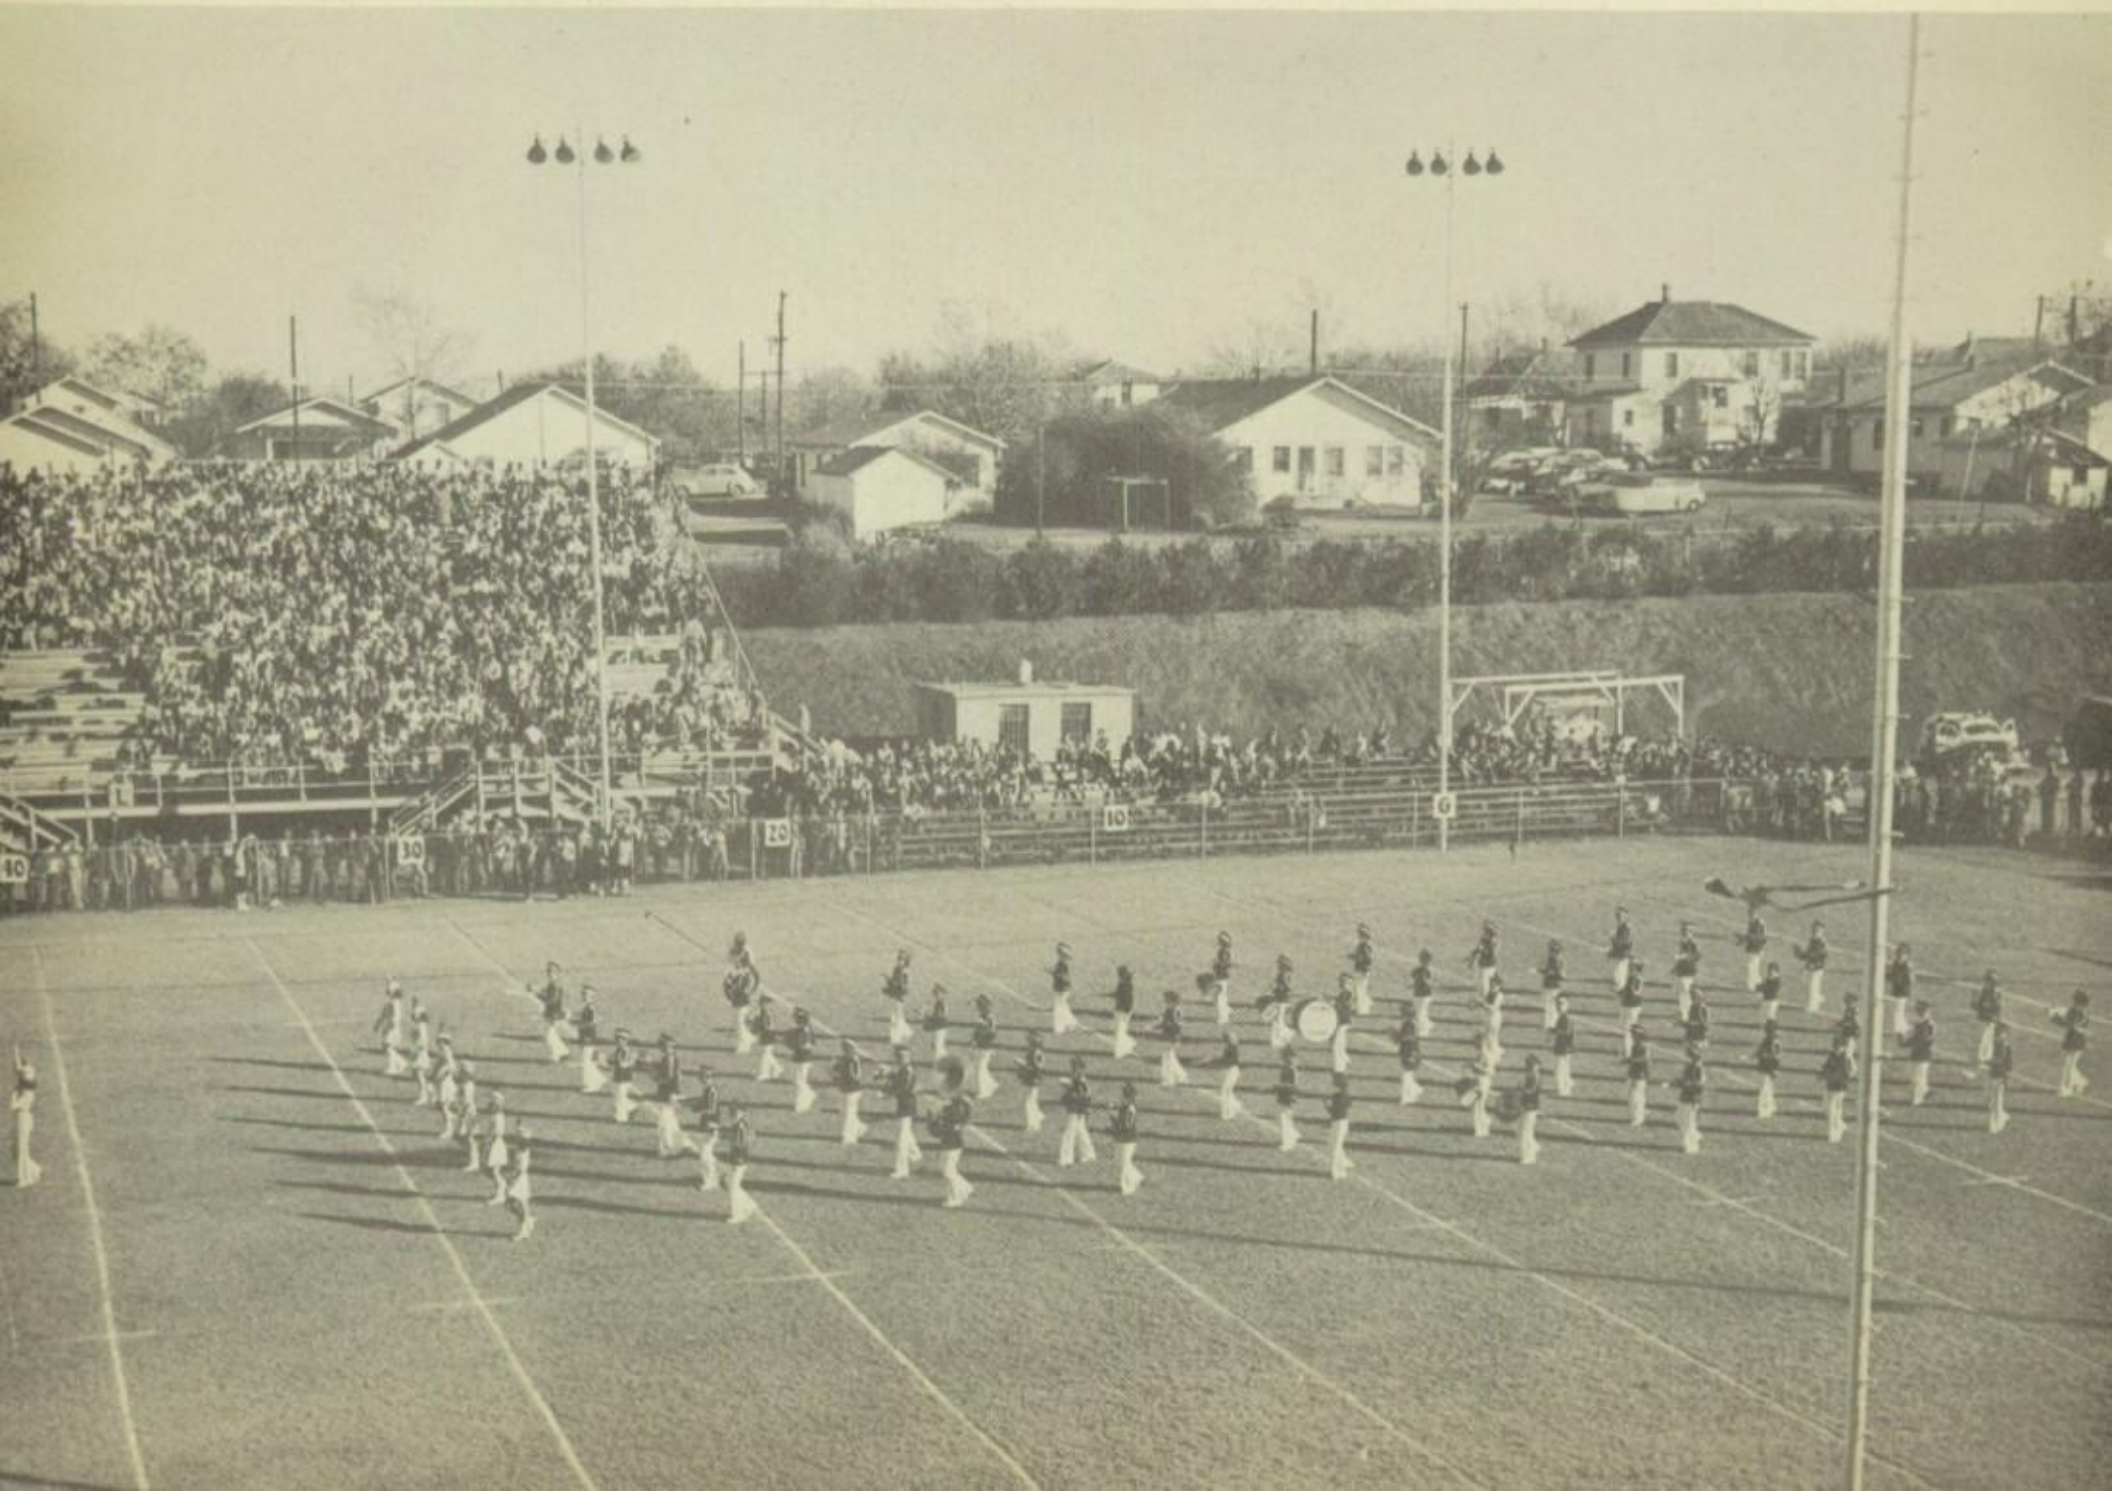

This year's Band, somewhat larger than those in the years past, has again shown that it wins its share of honors. The Jackrabbit Band, because of its precision marching, excellent concert playing, and all-around "show-off" performances, has long been a drawing card for large audiences.

Although many students have been lost through graduation, each year Director Rucker has demonstrated his ability to turn out a top rating band. This was proved again this year in the two contests and numerous events the band entered.

CHEER LEADERS

The Pep Squad was one of the outstanding assets of the sport season--always boosting the team on to victory. They also did much in promoting a school spirit among the whole student body.

The Pep Leaders were comprised of Mary Frances Hutson, Senior, Delphine Luther, Junior, Georgia Lain, Sophomore, Peggy Jo Lyons, Freshman. They were ably assisted toward the latter part of the season by the sincere effort of Ronald Weir, Sophomore. Ronald has been the first boy Pep Leader in several years.

Sponsoring the group this year was Miss Sands, who divides her time between homemaking and the Pep Squad.

Left to Right: Peggy Jo Lyons, Mary Frances Hutson, Delphine Luther, Georgia Lain.
